Product Description

New Product Electric Focus LED+LCD HDMI Projector 200 lumens

Product Description:

1. No need for traditional manual adjustment, electric focusing by remote control.
2. Comes with its own system, mobile phone screen sharing/screen mirroring, function intelligent voice remote control operation.
3. 200 lumens, 600P, electric focus
Positioned in the low-price market, 200 lumens will be brighter than normal low-priced machines. 600P is a normal low-priced machine. The resolution has not been improved, but it has electric focus.
4. The main advantages of this product: at a low price, the two points of higher brightness and electric focus can completely crush the low price in the market.
